

letter from <sup>the</sup> Chaplain saying  
that Pat was back. I  
think that's so wonderful.

Monday I received  
Budi's address from the govt.  
He is in Stalag Luft III, that's  
a very large airman's camp.

I'm so happy that I  
finally received it, I know  
surely letters will help  
him a lot, and it makes  
me feel so much better too.  
— And I will be able  
to send him a lot more  
in 60 days.
